March 1982

Dear VTR Members,

Our February meeting was a good session, in attendance were nine of our nineteen members. During our meeting we were able to set locations for the next six meetings. You will have that information in another section of this letter.

The current membership list complete with addresses and phone numbers is also included in this mailing. Please let me know of any errors or changes.

Now that we are a chartered chapter of VTR we have been receiving a volume of mail. Because of this we rented a post office box. Please make note of the number and use it for any correspondence.

Our chapter has a bank account at Jackson Federal S & L. Our current balance is \$104.51. If any member would like to make suggestions for fund raising let us hear from you.

Linda Harrison is recuperating after an accident in her TR4A. We hope she will be feeling better soon, we know the TR4A never will. Our logo and art work was created for us by Linda, many thanks to her. Our sympathy is extended to Scotty Marsh and his family. Scotty lost his father recently after an illness of several months.

I would like to have some volunteers for help with newsletters, mailings, and phone committees. Please call Frank Peel or me and we will put you to work. Thank you for your support and I will look forward to seeing all of you at our next meeting.

Tippy Garner
Secretary
