**WHAT-A-SHOW NEW ORLEANS WAS !**

Despite our Mississippi weathermen trying to "rain" on our parade (uh, CARAVAN), a 6-car entourage made up of 3 EMC vehicles and 3 Arkansas cars engaged the elements this last Friday, April 19th, to support the FIRST ANNUAL NEW ORLEANS BRITISH CAR SHOW (in New Orleans, of course). Was it good? Just look at some of the pictures in this Newsletter - with 128 cars entered, no amount of gulf clouds was going to dampen our day! Jane & I had to leave prior to the Awards Banquet, but here are the stats from our Club:

- STEVE & SHANNON COLLINS - THE BIG ONE ("BEST OF SHOW") and - 1ST PLC, TR6
- JOHN & FLORENCE SIMMERS - 1ST PLC, MGB-GT
- LAMAR McQUIRTER - 2ND PLC, EMPIRE
- WILBURT & JEAN EASOM - 1ST PLC, MGB CHROME
- CRAIG & JANE HOUSE - 2ND PLC, EARLY A.H.

Also attending were PAT & BARBARA CASHMAN (combined business & pleasure trip!), ALEX & TERE WADE (a great showing, too much competition!), and DENNIS & M. KAY LOFTIN (mechanical problems on a Healey? GO ON!). Before leaving Jackson, and MISSING all that hail, FRANK & TRICIA PEEL were on hand to help give us a great send-off (but work comes first). All in all, one GREAT week-end - **THANKS TO ALL THOSE WHO MADE IT HAPPEN!**

\* Is your car HAPPY? If not, you probably haven't signed up for the New Orleans Show or the Empire Trophy Rally yet! GET THE LEAD OUT!

\* Good News & Bad from our hosts of the TOPS DOWN PARTY (Greg & Karen Collins) - They now have a place other than the garage to spend their time & money, since Karen gave birth to EMILY shortly after the party! Unfortunately, Karen is now very much under the weather, and stationed in Baptist Hospital. I know all our club friends will join me in praying for a speedy & complete recovery - we're with you, Karen!

\* Greg just had to have one more toy, though, so the Collins's now own Bubba Brown's TR-6!

\* HEY! There really is a Saint Henry - Alex Wade reports that the MG-TC clutch bell housing he ordered a year ago finally arrived! No cracks, even!

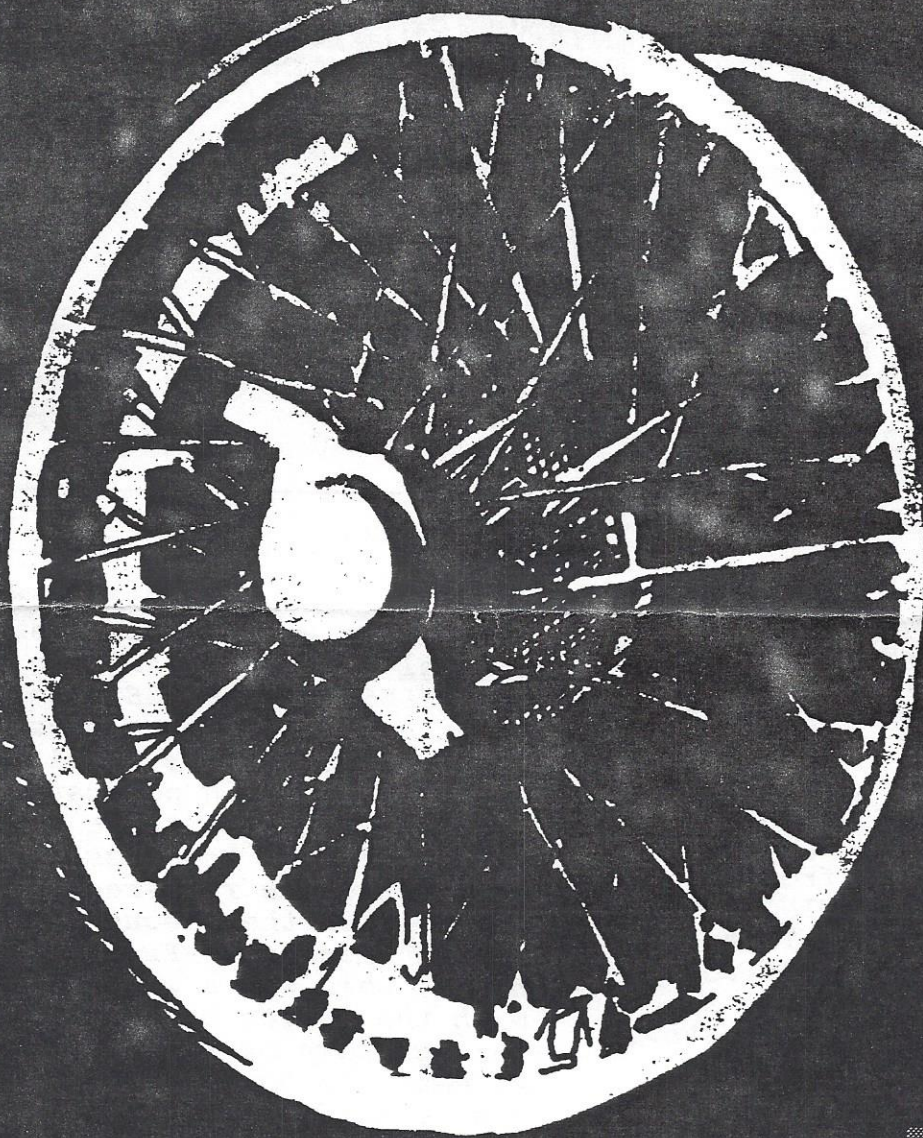

\* BRITISH CAR DAY IN JACKSON - our own John O'Simmers has some grand designs for us this year, according to Prez Steve. Date isn't firmed yet, we're looking at early November, and are planning to be in the Pioneer Village area at the AG Museum (Jackson). More next issue!

## SIDDELEY STUFF ABOUNDS

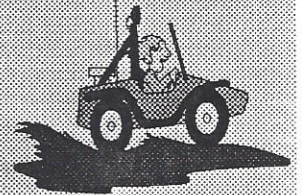

Boy, talk about your dumb Editors - I had a wealth of really neat info from Barbara Cashman and let it get really dated! I suspect in the world of publishing there might be ONE other dufus on the keyboards, we should meet and compare notes!

In the November 1990 edition of the British Isle's Siddeley club newsletter, the **SPHINX**, our British Car 4Day in Jackson got a really neat write-up, courtesy of Editor Pat . . he really let the Brit counterparts know how much we appreciate the leaks & drips, drafts & trail of parts from their products - NAW, JUST KIDDING! Really, the article was GREAT and played up our little club as the enthusiasts we are! Even got a word in about the Memphis Car Show.

LOOKS LIKE ANOTHER ROAD TRIP IN THE MAKING! MARK YOUR CALENDARS FOR SUNDAY JUNE 17... WE'LL TAKE THE SCENIC ROUTE TO DUNN'S FALLS, SOUTH OF MERIDIAN... MORE LATER!

Another neat story from the *Cashman Chronicles* appeared in the *Madison Journal* newspaper, also in Nov. The MILES-HANNA HOUSE Committee in Delhi held a "Driving Miss Daisy" contest, wherein the local church youth groups each nominated a candidate who most fit the picture of "Miss Daisy". Needless to say, a royal limo was required, and Editor Pat came to the rescue with the Austin Princess! From Barbara's notes, this was a wonderful event with the ladies being toured through town by a fine chauffeur! At Hannah's Restaurant, a grand meal ensued, then voting, etc. Pat was given the Key to the City, and would you believe - - a 5-way tie between the 5 candidates for the title of "Miss Daisy"? These ladies were all from 75 to 90 years young, and the darlings of the whole town!

Thanks, Barbara, for sharing the event with us!

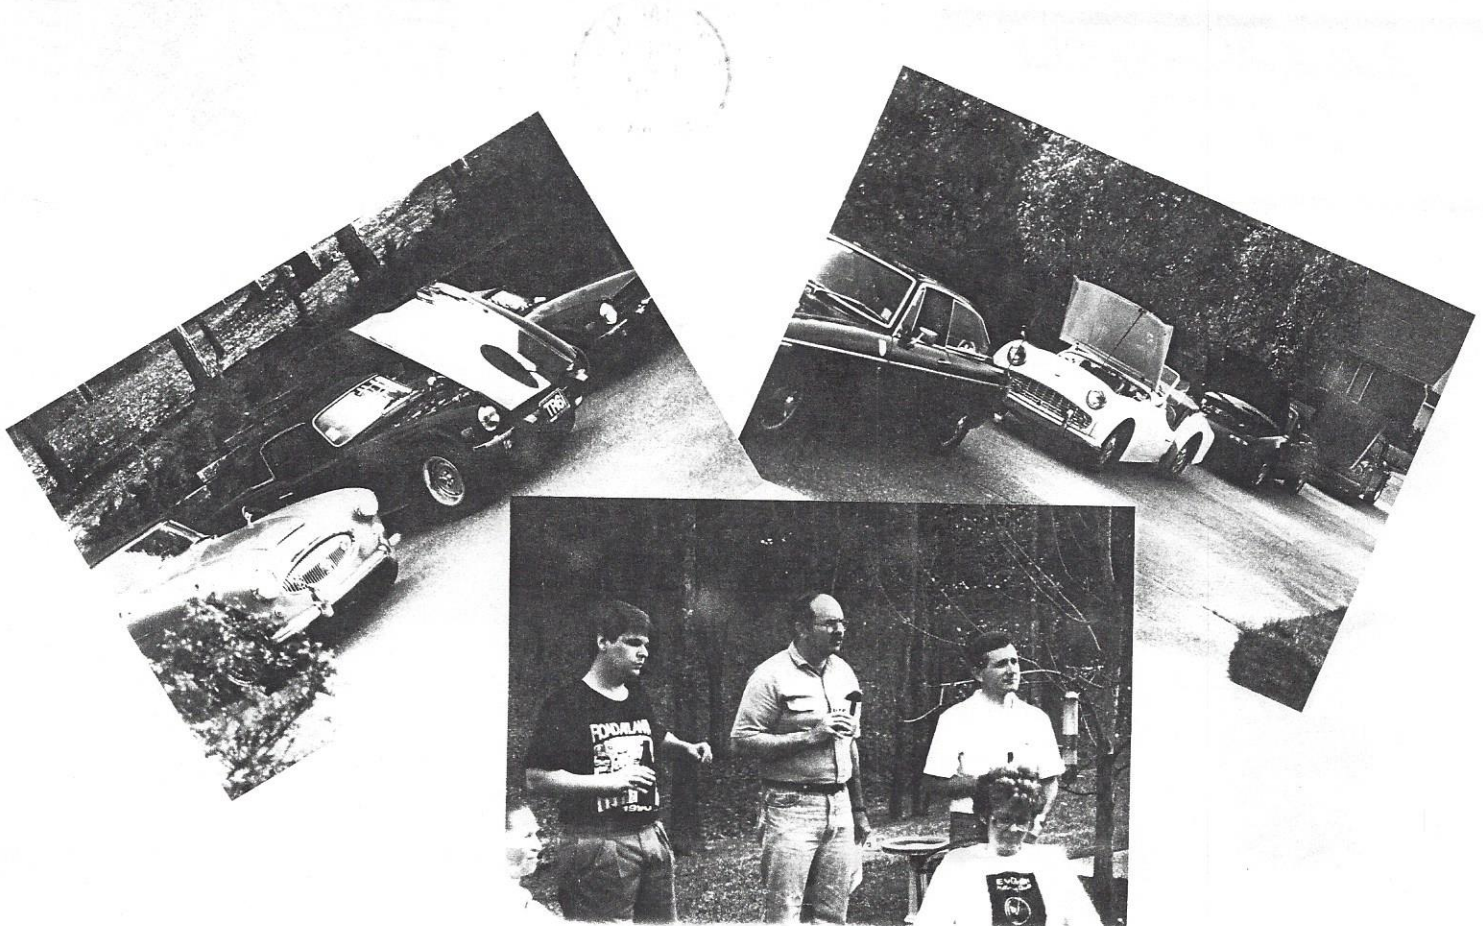

## TOPS DOWN PARTY REVIEW

The beautiful Spring day brought out a strong showing of Triumphs at the March Party, which took place at the home of **Greg & Karen Collins**. It was a treat to see **Steve Collins** driving his national concours winning TR-6 across town for us to enjoy. Also touring in their TR-6's were **Wardell Conway** and **Alex Wade**. **Greg's** TR-6 was present, but I don't think it has moved from the spot since our Party last year! **Will Price** couldn't bring his "6", but brought a bumper support as a good faith effort. Rounding out the Triumphs, **Joe Speetjens** impressed us with his newly restored TR-3.

The Vicksburg contingent included **John & Florence Simmers** in a nicely resonating MGB-GT, and **Pat & Barbara Cashman** in their Armstrong-Siddeley. Healeys were represented by **Dennis Loftin** and **Craig House**, with **Jeff Hackman** just wishing that one of his Bugeyes could have made the trip! **Keith Anderson & Family** coaxed their E-Type to make the trip, while **John Lange** came with his car phone (and a Jag XJ to hold it). **Doug & Diane Gorman** have a cache of British iron, but they were close enough to walk across the street to the Party! Finally, **Jack Pool** showed up from Natchez in a Miata! We let him join us when we found out that he leaves the top partially un-latched to allow the appropriate drafts and leaks, and runs the heater in the Summer in true British spirit.

Unfortunately, a Business meeting was deemed necessary by the "Prez", so we collected our thoughts, and beer cans, and discussed upcoming events. It appears that we'll be heading to New Orleans, Vicksburg, and Meridian all within the next 2 months! All in all, this was a good gathering, fun being shared by everyone!
