## This 'n That By Charlie Durning

Once again the Lotus Weekend at Mike and Alice Glore's Barn was a hit. Mike had all of his unique cars spotless and the hoods up for inspection.

Alice worked hard to get the meeting area prepared - and it showed.

The conversation was lively with folks roaming throughout the barn. Unfortunately I did not get a head count, (best guess 35) nor I get any pictures. Frankly I was having too much fun and just plain forgot. There were visitors and new members present.

Mark Van Lake was there in his Jensen Healey. Richard Greene is credited with helping

Mark get the Lotus engine running after a rebuild. David Williams is in the market for a Lotus Elise.

Adam Martin and Anne Baldwin were also in attendance. I hope I didn't leave anyone out.

Pres John opened the business meeting. The Glore's were thanked for opening their "Barn". T-shirts were discussed for Brits on the Bluff, and discussion was opened for awards and door prizes for the upcoming Brits on the Bluff in September.

Once again our thanks to Mike and Alice Glore for hosting the party.

[Now is the time to make plans to attend Brits on the Bluff. The flier is attached at the bottom of the newsletter.](#)

Not much going on. It's been way too hot! VP Steve is progressing on his Midget restoration.

Pres John is ready to throw a hammer at his 2010 Jag over air ride issues. I'm sure John will get it working again. John is also working on rear disc brakes for his TR6.

Editor Charlie is working to resurrect a MGB he dragged home in July.

# A Note from the President

By John Turbeville

Friends, just a reminder make your reservations for Natchez at The Grand for the 3rd weekend of September. We are putting together a great gathering of British car enthusiasts. Don't miss out--hope to see you there.

Newly designed t-shirts have been ordered and should be ready in time to see them at the Bailey's this month.

Happy Motoring!

# Blast from the Past

By Terry and Meridith Trovato

The success of our organization is in due to large part because of the commitment of the various presidents who have guided and nurtured the EMC over the years. One such individual is pictured above, Al Adams, with his Austin-Healey Sprite photographed at Brits on the Bluff over a decade ago. Al, with the able assistance of his wife, Debbie, made a great leadership team during his reign.
