VINTAGE RACING
AT
"ROAD ATLANTA"

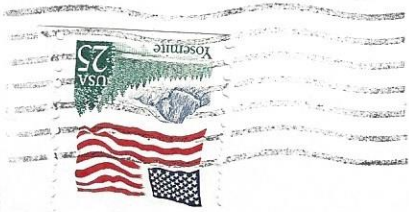

The 9th Annual Vintage Grand Prix at Road Atlanta was well attended by the Mississippi contingent this year, which included Alex Wade, Jack Pool, Mike Hemsley, Joe Stianche, and Dennis Loftin. Over 200 vintage race cars participated in three days of course racing. I was proud to compete for the 9th year in a row with my faithful MGA!

Cooper cars were the featured marque, with previous world driving Champion Jack Brabham, enjoying being photographed with the cars that helped him acquire his crowning achievements.

The only problem I experienced was a vibration felt only while cornering. A thorough check the final day revealed that the left front wheel had developed cracks around each of the 4 lug holes - close to causing a failure! Apparently, after 1600 miles and years on the circuits, the stress and fatigue were showing. Luckily I had a good spare, and was able to continue without incident. I felt pretty good about being 3rd fastest MGA of 6 entries, especially since mine is still essentially a street car (all the others were racers). But, since the 3 slower cars retired with blown motors, I ended up the slowest MGA to finish!

As always, a good time was had by all - so we'll be back next year . . . We few, We Happy Few, We Band of Brothers,

KEITH ANDERSON
