President's Ramblings

This certainly seems to be the winter of dramatic temperature changes; drive the TR6 with the top down one day, watch it snow the next. We only have about six or seven more potentially harsh winter weeks left, so it might be a good time to read the OFF SIDE UNDO, tinker with our cars and get ready for EMC's 1997 year of activities.

On Saturday, February 1, 1997 at 12 noon, all EMC members are invited to my home in Jackson (1903 Petit Bois, 982-5543) for an annual business meeting. Bring your own drinks and we will provide the pizza. In addition to setting events and electing officers, we will discuss the club t shirt and club liability insurance. I know we traditionally have the business meeting in March, but since we might schedule several new events I'd like to have this meeting early.

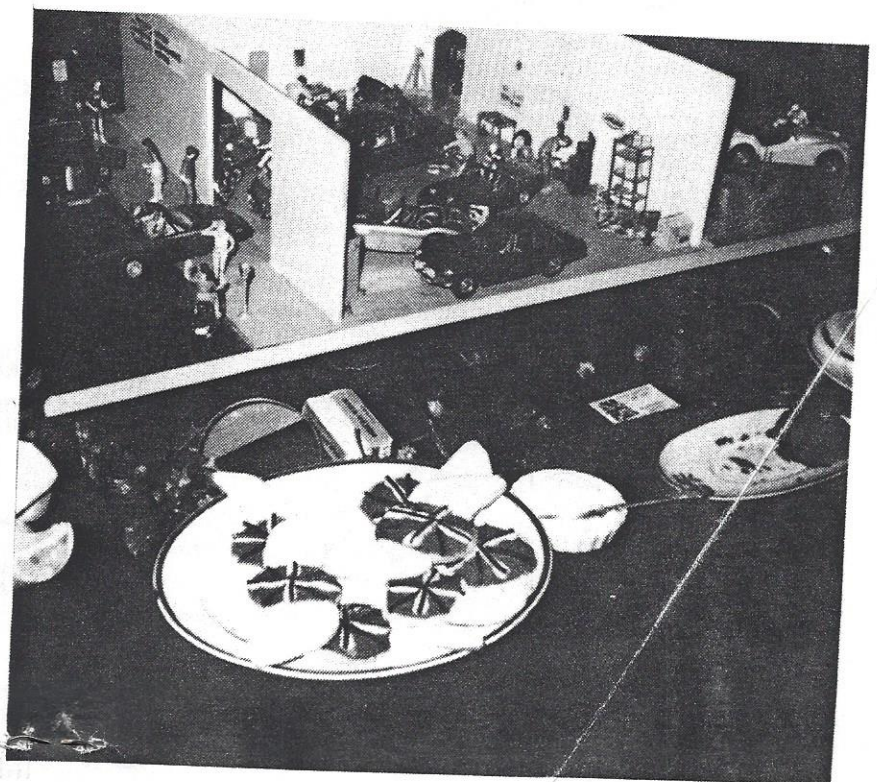

Thanks to the Cashmans for hosting a terrific Christmas party. For the few of you who missed it everyone was in a festive mood, the food was fabulous and Wilburt Easom filled his MGB with diesel fuel enroute to Vicksburg. Yes, MGBs will run on diesel but it is a smoky and stinky ordeal. While everyone else was having fun at the party Wilburt and Dennis Loftin drained the fuel tank. We do not know if the diesel was left to drain in the front yard but Pat will probably have less grass to mow this spring. We raffled a case of oil as a Club present and the winner was Wilburt!

1996 was a good year for EMC. We gained some new members and even more British cars. We had tech session, picnics,

attended numerous car shows, held our Highland Games Show and enjoyed the Tops Down and Christmas parties. More than anything else, I enjoyed the camaraderie that keeps EMC events special. See you at my home on February 1.

Steve Collins

Lots to see at the '96 Christmas Party! There were plenty of friends and goodies in evidence. The hit was the knock on shaped cookies complete with full color Union Jack brought by the Travatos!

ON THE CALENDAR

February 1, 1997
EMC ANNUAL BUSINESS MEETING

1903 Petit Bois, Jackson, MS 982-5543. Call Steve Collins for directions.

March 22, 1997
