EMC October Event To Be Action Packed

Plans are underway to hold EMC's Fall Outing in Natchez during the weekend of October 17-19. There promises to be fun for the whole family since it will coincide with the town's Fall Pilgrimage tour of antebellum mansions and its annual Balloon Festival Weekend.

We have secured a wonderful grassy field next to the site of the balloons and will have plenty of room to display our cars. This will be a non judged show but we will have prizes and goodies. The event will be scheduled for Saturday from 11 a.m. until 2 p.m..

Then we will head down to the river for music, food, and a hot air balloon festival. This event is held on the grounds of Rosalie, an antebellum home which overlooks the mighty Mississippi. The live music is performed by bands which alternate every hour or so and the food consists of local fare. Hot air balloons are on display and they lift off around 5 p.m. weather permitting. The event concludes around 5 p.m.

Those wishing to spend the night on Saturday should make reservations now or as soon as possible since this particular weekend with so much taking place really packs in the tourists. For those who might enjoy a stay at one of Natchez' outstanding bed & breakfast dwellings, call 1-800-647-6742 for prices and availability. For hotel or motel suggestions call Terry Trovato at 601-442-8684.

Scottish Highland Games

The EMC will display cars at the Highland games on August 23 in Jackson, Mississippi.

We will not have a judged show as in the past but will have our cars on display for the people who attend the games. Call John Simmers at 601-638-0968 for information. We will need to have cars on the grounds early Saturday morning as in the past. Come prepared, it will be hot!

Memphis British Car Day Oct. 11

The show will be held again at the Wilson World next to the Mall of Memphis.
