BRITISH CAR DAY
JACKSON MS
SEPT 17

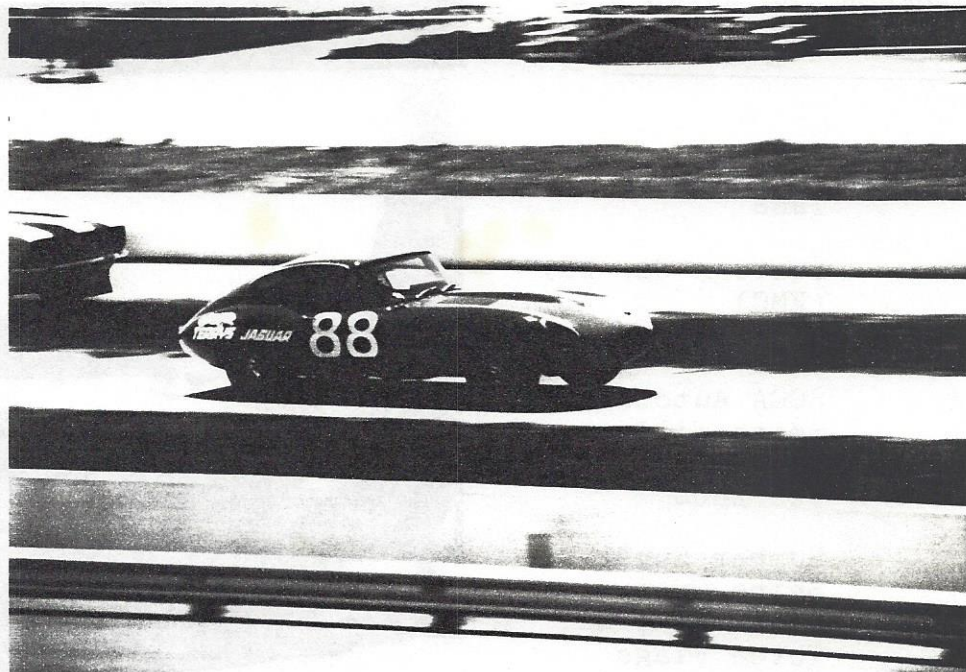

Jackson's sixth British Car Day will be held on Saturday, September 17, at Smith Wills Stadium on Lakeland Drive.

Brochures advertising this event went out in August so we are hoping for a good turnout this year. One special change for this year's event is that we will offer subclasses based on pre-registration rather than for each marque. You may therefore find separate classes for MGA's and TR-6's, depending upon the response.

Questions concerning the event should be directed to Craig House at 601-469-3279 (evenings) or Dennis Loftin at 601-372-6576.

MAY IN MEMPHIS VINTAGE CAR RACE

A number of EMC and Jackson SCCA members attended a fine vintage car race at a newly constructed race course in Millington this past May. In attendance from Jackson were the Brunson's, the House's, Dennis Loftin, Frank Peel, and the Wade's. Also in atten-

dance as a participant was Keith Anderson who raced his trusty MGA (his family came along also as his pit crew).

This event, the first of its kind in the Mid-South, drew a fair number of participants and we got to see a number of interesting vehicles. There were a number of accidents; however, no one was seriously injured aside from a spectator who fell through one of the bleachers. The only real disappointment was the fact that all of the Ferrari's were on the West Coast at conflicting event.

As an aside from the

racing, one visitor from St. Louis brought along her E-Type and decided to start a concours event. By the day of the races, she had distributed flyers, obtained trophies, and set up a registration table. (We should hire her under contract for some of our events!). Dennis Loftin won first place in his group with his well-maintained Austin Healey 3000.

It was a good event and we hope that it will be repeated again next year.

ZIP CODE CHANGE

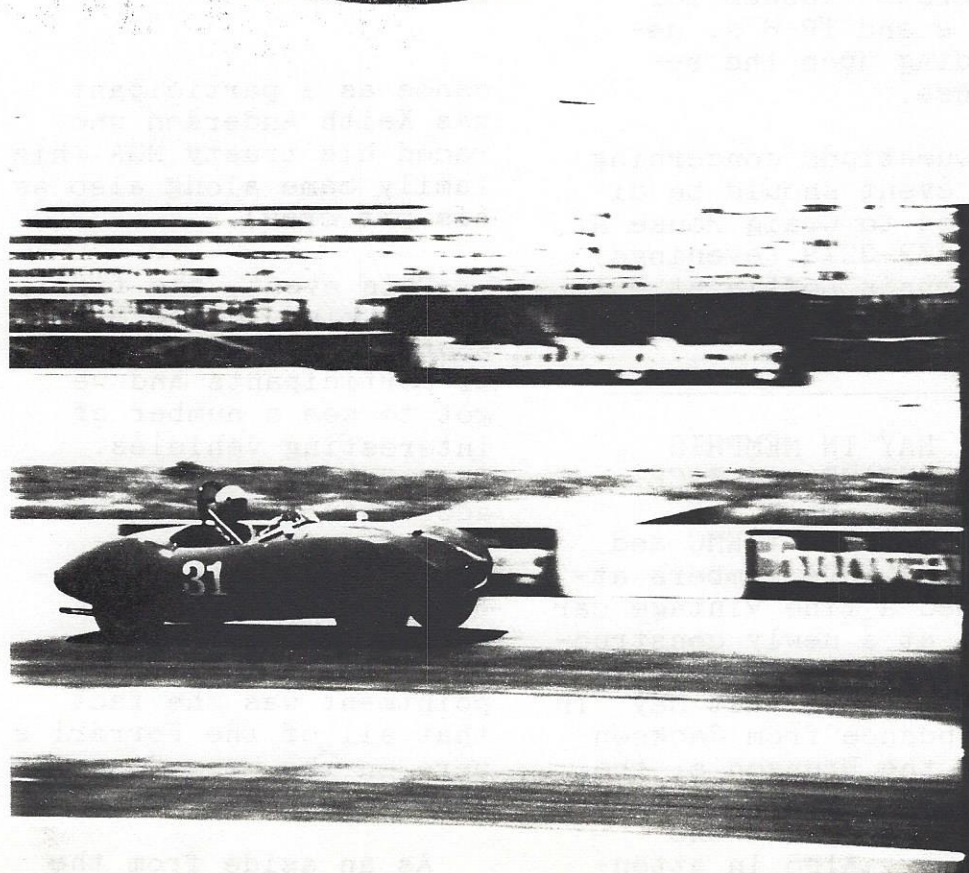

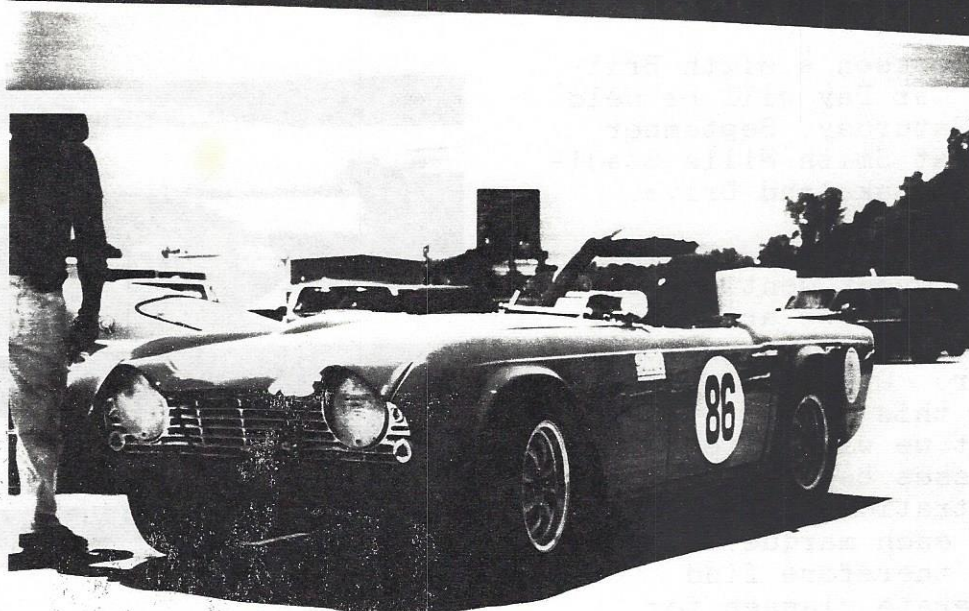

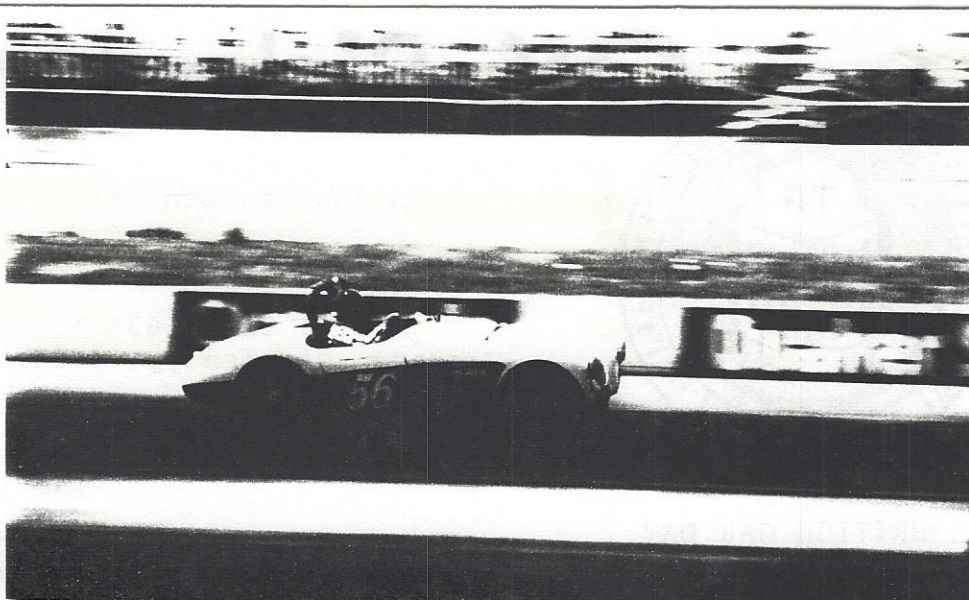

The Post Office, in its infinite wisdom, has elected to change our Zip Code yet again and has asked that we notify all correspondents of our new and improved number.

SHORT CIRCUITS

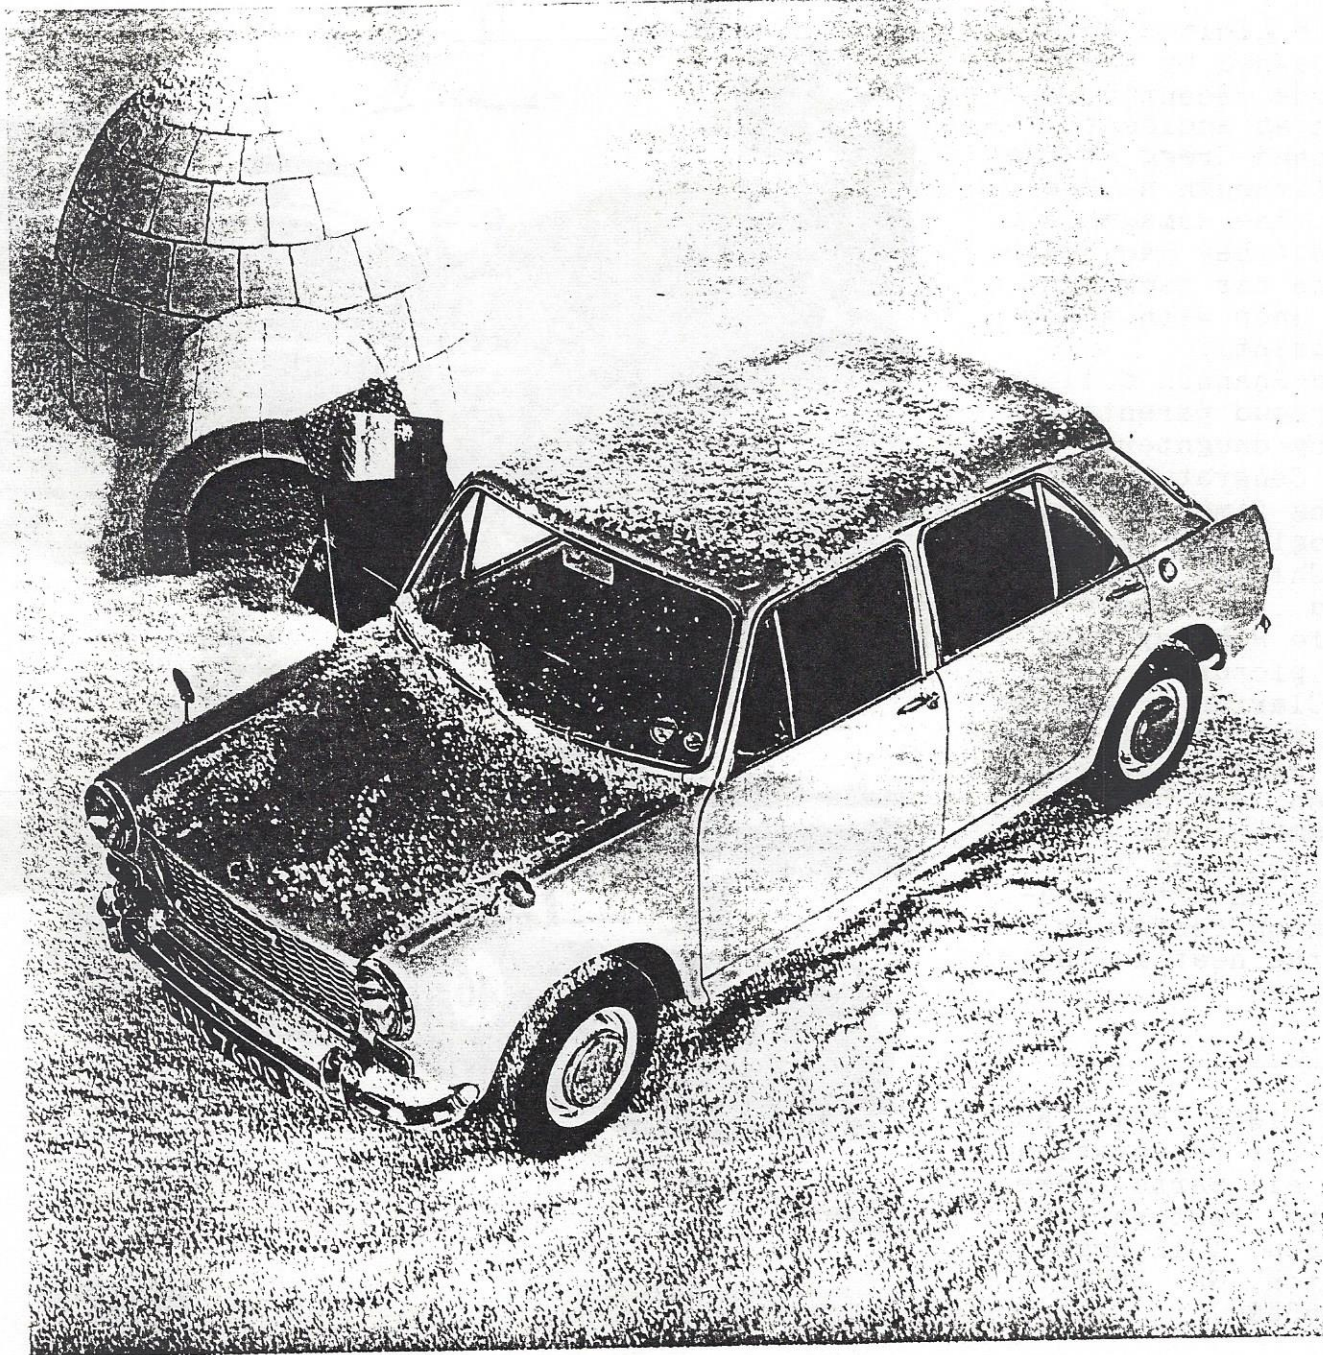

. . . the Limited Edition MGB owned by Karen Collins was recently involved in an accident with husband Gregg at the wheel. Although no one was hurt, the damage is extensive (they had just gotten the car back from the body shop with a new coat of paint) . . . Steve and Shannon Collins are the proud parents of a new baby daughter, Rivers. Congratulations! . . . long time member Tom Gallogly has moved away to Chicago. He will be missed . . . Bitsy and Bonnie Hemsley were recently pictured in the Jackson Clarion Ledger as a mother and daughter team in their Alfa Romeo's. Don Warren, who has attended some of our events, also was featured with his MGB in an article about Jackson residents beating the heat in their convertibles . . .
