A Drive Through History June 13, 1998

By John Simmers

The drive through history will take us south on the Natchez Trace from Rocky Springs to Natchez. From Natchez we will cross the Mississippi River into Louisiana and South along the West river bank to New Roads where we cross the river by ferry to St. Francisville.

In the St. Francisville area we will visit the old and interesting Locust Grove Cemetery and Oakley Plantation prior to lunch at Steamboat Charlie's Sports Bar and Grill.
