British Car Day

The Central Mississippi Chapter of the Vintage Triumph Register will sponsor its third annual British Car Day at the Jackson Zoo on Saturday, September 28, from 10 am to 4 pm.

The event will take place in the open field directly behind the Livingston Park Community Club House.

Jackson's Vintage Triumph Register has been in existence since 1981 and caters to the owners of older British sports cars by providing parts assistance, technical advice, monthly newsletters, and special outings. Although this non-profit club specializes in Triumphs, the club services have also attracted a number of members who own Jaguars, Austin Healeys and MG's.

The British Car Day is the club's

biggest annual event. By sponsoring British car-related contests, the club has drawn participants from throughout Mississippi and surrounding states. Contests this year will include Concours and "Round Tuit" classes for each British car marque, a British car trivia contest, a fan belt toss, and a "What Is It" parts contest. Although there will be a small registration fee for those who wish to register their British cars for the event, there will be no admission charge to the general public. All profits will be turned over to the Jackson Zoo.

For more information about the Club or the event, you may contact Alex Wade at (601) 825-9611 or you may write to: Central Mississippi Chapter, Vintage Triumph Register, P. O. Box 5263, Jackson, MS 39216.

Aside from awards for 1st - 3rd place for each major marque in both "Concours" and "Round Tuit" classes, there will also be a People's Choice Award and a Participant's Choice Award. There will also be awards for the Trivia and "What Is It" Parts contests, as well as awards for the Fan Belt Toss and the car voted "Least Likely to Make It Home."

Triumph Trivia Answers

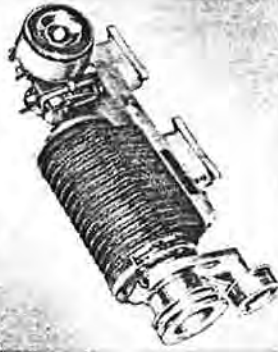

1. Elvis gives the once-over to Ann- Margret and her TR-3A in 'Viva Las Vegas'. (1964)
2. Snappy as it is, the car never quite wins Ingrid over in 'Goodbye Again', (1961) even though it has PL headlamps.
3. 'Two for the Road' (1967).
4. Jolly good choice, James. For part of 'Diamonds Are Forever', Bond drives a Stag.
5. Federico Fellini's 'La Dolce Vita' (1961).
6. 'The Clones' (1974)
7. Dean Martin, as Matt Helm, is behind the wheel in 'Murderers' Row' (1966)
8. O'Neal drives an MGTC! If you named a Triumph here, deduct five points from your score and eat an old Haynes manual, page by page.

Scoring

- 12-10: You're spending too much time watching old movies. Get out there and work on your car.
- 9-7: Very good. You probably like to rebuild carburetors in front of the TV set.
- 6-4: You're paying too much attention to the plot. Forget the story; just watch for the cars.
- 3-0: You do know what a Triumph looks like, don't you?
