EDITOR'S STUFF

Seems like this Newsletter keeps rolling around long before I'm ready to put all the goodies in it! I did want to mention that a couple of the EMC couples were at the New Orleans Show and failed to get a mention in last month's OSU . . . Jim & Mary Leker and Wardell & Mrs. Conway were seen enjoying the beautiful cars all day!

There will be another OSU out SOON, so I can get lots more "stuff" out of my pending file! Like, lots of wrap-up on the Trophy Ralley!

We sure hope to see you at the PREZ's Place this week-end, and at DUNN'S FALLS later this month! And a hearty WELCOME to more new members!:

**ROAD TRIP & PICNIC**

WHEN : SUN JUNE 23, from
NOON 'til 4PM

WHERE : DUNN'S FALLS PARK
located 7 miles South of Meridian
MS off I-59 (take Exit #142, Savoy
and follow BROWN signs).

WHY? : bring a PICNIC, CAMERA,
LOTION, SWIM TRUNKS, HIKING
BOOTS, and/or a BRITISH CAR for
some fine lazing around in a great
little Mississippi Park!

In 1854, an Irish Immigrant (John Dunn) settled on what he believed was the most beautiful spot ever, along the Chunky River banks.. The clay bluffs enticed him to build the first pottery factory in the State. He then created a 65 foot waterfalls with a dam, and built a Grist Mill. Later on the site a clothing factory went up, serving the Confederate Army. Folklore has an apprentice named JOHN STETSON getting his start in this factory!

All that is left on the land now is the waterfalls and a transplanted Grist Mill - but it is STILL one of the most pictureaque sites in Mississippi!

If interested, there is also primitive camping in the Park for a nominal fee. I understand from Roger Gibson that a few New Orleans car nuts may join us for a FUN DAY! For those MS folks wanting to caravan together, contact folks in your area for times & places to meet. I would suggest for the Jackson area, 9:30 AM in the Highland-Shoney's lot on I-55 North. For Meridian, perhaps the College Park Shopping Center lot at 11:30 AM. For Hattiesburg & Laurel, areas, ?? For more info, contact either WILBURT EASOM (601-482-3426) or STEVE COLLINS (601-856-3225).

THE EMPIRE TROPHY 91 IN RETROSPECT

The 1991 Empire Trophy Rally enjoyed the success it did because a lot of people worked very hard to provide the quality event the EMC is accustomed to present. There were photographs, checkpoints, t-shirts, hospitality and other good things because a lot of club members and interested persons worked very hard. Mike McCoy, Greg Utz, Bob Larson, John Breeden, and the other folks at L&L Photo took all those pictures and got them developed and got them printed on time. Barbara and Pat Cashman arranged all the Friday night hospitality and the Saturday night Awards Banquet and worked both the driving test and the Saturday afternoon start. The checkpoints were manned (personneled) by Florence and Susan Simmers; Jack Pool; and Keith, Pat, Brian, and Cheryl Anderson. Billy Nichols, Don Perkinson, and John Cashman worked the driving test. Skip Brunson was the SCCA Rally Safety Steward, and Jeff Hackman was the SCCA Rallymaster of record. The rally course worked because Skip and Janet Brunson; Pat and Barbara Cashman; and Earl and Margaret Edris did the precheck. Pat, Barbara, and Florence lived with the Rally and its frustrations since last year. Finally the officers and members of the English Motoring Club are to be commended for support of this event and their continual assistance in all the jobs that needed to be done.

It is always nice to see some of the EMC's old friends at the Empire Trophy, and without lessening the importance of their attendance, I would like to point out, for your attention, some of the first timers who are not yet known far and wide as cornerstones of the British Car movement. The Emanuels do not yet have a British sports car but they did tolerate torrential rain to arrive and, even starting the rally at the second leg with a maximum score for leg 1, finished creditably. The Baxters are also relatively new to the British car rally scene and likewise did well on their first rally. Of course other rally new-comers, Silvia Rose, Cohee/VanFleet, the Gibsons, and the three Bedenbaughs are not so much new rallyists as old friends who finally got around to doing the rally.

All the rally staff and I, sincerely hope to see everyone again at the next running for the Empire Trophy, even if you have to come in BMWs,
